

## Solar Friends

SunCommon believes that everyone has the right to a healthy environment and brighter future – and renewable energy is where it starts. Energy from the sun can power our lives and build vibrant communities. Our mission is to tear down barriers to clean energy and use our business as a force for good.

### OUR SOLAR FRIENDS PROGRAM

Refer us to your friends, an organization you're a part of, or your place of work – we'll take care of the rest. Individuals, non-profits, and businesses can all receive the following for each referral who ends up becoming a SunCommon customer.

- \$100 for each new Community Solar referred customer
- \$250 for each new Rooftop or Ground Mounted Solar referred customer
- \$1,500 for every 50kW of the referred business project— this can pay for your own solar system!

SunCommon will send Solar Friends checks by mail within 40 days of the new customer signing their solar contract. Boom. It's that easy.

There are a number of ways you or your organization, business, etc. can utilize the Solar Friends program:

- Have us present at an upcoming meeting
- Bring us to your work for a Lunch & Learn (we'll bring the lunch)
- Host a Sip & Sun or House Party (we'll provide the drinks and food)
- We are flexible! Any other fun way you can think of to spread solar education.

### RESULTS

In the first year of the Solar Friends Program, we rewarded over \$10,000 to non-profits such as the Open Door Mission, the First Unitarian Church, the Rochester People's Climate Coalition, Metro Justice, Mothers Out Front, Helping Irondequoit Plan for Progress, Color Brighton Green and more!

### GET STARTED

- 1) Become a solar friend online: <http://suncommon.com/ny/ny-solar-friends-registration/> OR
- 2) Refer by phone or in person: call us at (585) 265-2384 and connect with a Community Organizer who can walk you through everything. How easy is that?
